March-April 2021

## MESSAGE FROM THE PASTOR'S DESK

### Read 2 Corinthians 4: 8-18

In the Preacher's Sourcebook of Creative Sermon Illustrations, author Robert Morgan tells the following story entitled:

#### ***"Easter is Coming"***

During morning worship on Palm Sunday, 1994, a tornado struck the Goshen United Methodist Church in Piedmont, Alabama. It happened during a dramatic Palm Sunday presentation. Suddenly, electricity went out and the power failed. The participants in the drama tried to continue without the sound system until a window broke crashing down to the floor as wind began to pour into the Church through the broken window. People started screaming and then, without notice, the roof collapsed on top of the congregation, killing twenty people and injuring many more. Among the fatalities was Hannah Clem, the four-year-old daughter of Pastor Kelly Clem.

The night after the terrible tragedy, Pastor Kelly tried to sleep but she found it difficult. In and out of sleep all night she tossed and turned replaying the horror of the tragedy over and over in her mind. An unusual dream came to her. She saw herself trying to lift and toss bricks aside, clearing away rubble, trying to rescue victims. She kept doing the same thing over again. Everything was grey and dull in her dream. But as her dream progressed, she stepped back from the scene and right in the spot where Hannah had been buried, she saw children dressed in beautiful, bright colors. They seemed oblivious to onlookers and were playing and laughing with each other. They were playing on a hillside of the greenest grass Kelly had ever seen. When Kelly awoke, a peace settled over her and strengthened her for the many funerals she would conduct ahead, included that of her own daughter, Hannah.

The next day, a reporter asked Kelly if the disaster had shattered her faith?

It hasn't shattered my faith at all," Kelly replied.....

## MESSAGE FROM THE PASTOR'S DESK...

"I'm holding on to my faith. It's holding me. All of the people of Goshen are holding on to each other, along with the hope that ***Easter is coming!***"

That is Paul's message in 2 Corinthians 4 as well. While we face trials and hardships in the world; while suffering and pain come our way, as Christians we are never crushed or driven to despair because we're always able to cling to the hope that "Easter is coming!" Jesus is alive. God raised him from the dead.

We know, as Paul says: "...this slight momentary affliction is preparing us for an eternal weight of glory beyond all comparison, because we look not to the things that are seen but to the things that are unseen; for the things that are seen are transient, but the things that are unseen are eternal."

We've all been through quite an ordeal since February of 2020, but we must not be discouraged. We need remember...**EASTER IS COMING!**

A blessed Easter to you all,

*Pastor Kaden*

## NOTE FROM THE VICE PRESIDENT

**See Joshua Chapter 21 vs. 45 and Hebrews Chapter 4 vs. 12**

*Not a word failed of any good thing which the Lord had spoken to the house of Israel. All came to pass. For the word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart.*

What do these words mean to you? These words give me hope. Even with the current state of the world, there are still hopeful signs that good things may be coming our way. Vaccinations will allow us to see and interact with our friends and family in a more fulfilling way, Old Brick's pews will fill up once more, and the young people will be able to return to a life with less screen time and more personal interaction. I look forward to it!

Over the past few weeks, the Consistory and Administrative teams decided to apply for the Paycheck Protection Plan for the Church. Laura Hogan and I put the final finishing touches on the application today and submitted the document and all the necessary paperwork (every little bit helps).

As Easter season approaches, I look forward to happier (warmer) days ahead for all of us.

May Jesus bless you and keep you safe.

***Thomas Bynoe, VP of Consistory***

These families in need write us very emotional thank you notes expressing gratitude for help to ease their struggle of having a very ill child in intensive care. We trust the work of Almighty God, knowing God is blessing our efforts to touch people's lives and help them through very trying days. It's rewarding work that touches deep chords of compassion. ## THIS EASTER SEASON, REMEMBER...

### YOU TOOK MY PARKING SPACE AT CHURCH

This should wake us up. One day, a man went to visit a church. He got there early, parked his car and got out. Another car pulled up near the driver got out and said, "I always park there! You took my place!"

The visitor went inside for Sunday School, found an empty seat and sat down. A young lady from the church approached him and stated, "That's my seat! You took my place!" The visitor was somewhat distressed by this rude welcome, but said nothing.

After Sunday School, the visitor went into the sanctuary and sat down. Another member walked up to him and said, "That's where I always sit! You took my place!" The visitor was even more troubled by this treatment, but still he said nothing.

Later as the congregation was praying for Christ to dwell among them, the visitor stood up, and his appearance began to change. Horrible scars became visible on his hands and on his sandaled feet. Someone from the congregation noticed him and called out, "What happened to you?" The visitor replied, as his hat became a crown of thorns, and a tear fell from his eye, "I took your place."

When you receive this, say a prayer that's all....  
This Easter Season let's remember, "Who took our place"
